

## **ECCE 2019 Women Travel Program**

**Application deadline July, 7<sup>th</sup> 2019**

A travel reimbursement program has been established for women who wish to attend the Energy Conversion Congress & Expo (ECCE) 2019 which will be held in Baltimore, MD, USA Sept. 29 – Oct 3 2019. This program, funded by ECCE2019 Organizing Committees, will reimburse either \$500 or \$1000 of travel expenses associated with the conference. The amount reimbursed depends on the travel distance.

To be eligible for this program, women must (1) be a member of IEEE and (2) be available to attend the WiE Event at the conference. Please note that recipients cannot receive other grants to attend ECCE 2019.

Interested women should complete the application form, available online at the ECCE2019 web site <http://www.ieee-ecce.org/2019/conference/wie/> and e-mail it to the address listed below by **July 7th, 2019** with a valid proof of IEEE membership.

E-mail notifications of travel awards will be sent by **July 30th, 2019**. Reimbursement of travel expenses will be available for pick-up at the conference. Upon arrival, grant awardees are required to bring their award notification e-mail and completed tax form to the ECCE2019 registration site to receive the award. A W-8 tax form is required for non-US residents and a W-9 is required for US residents.

We look forward to meeting you at ECCE 2019!
