The Energy Conversion Congress and Exposition is the world’s leading technical conference and exposition for energy conversion solutions: solutions that are innovative, practical, and customer-focused. ECCE is the ideal place for companies to exhibit and promote their products and services to those driving innovative research, and delivering the results to market.

Why Partner with ECCE

The premier conference for the IEEE Industry Applications Society and the IEEE Power Electronics Society, ECCE brings together thousands of the brightest minds from across the world for five days of powerful learning and thought-provoking discussions pertaining to the broad spectrum of energy conversion.

Savvy engineers from the broad spectrum of energy conversion, industry veterans, and fresh startups alike, come to ECCE year-after-year to stay abreast on state-of-the-art research, tap into the concentrated brain trust assembled at the conference, and to learn of the latest services, products, and technologies within the industry.

ECCE provides companies like yours the perfect opportunity to:

- Establish relationships with the international experts that need your solutions;
- Promote your company’s activities and to establish and nurture relationships with future customers and employees;
- Increase your company’s brand awareness to hundreds of professionals from around the world;
- Get an in-person look at what competing companies are doing;
- And generate profitable business leads with customers interested in products and services like yours.
