

POST JOURNAL PRESENTATIONS

DEADLINE JUNE 1

Whats New at ECCE?

This new initiative will provide an opportunity to the authors of published journal papers to present their work live to the ECCE audience. This will help journal authors advocate their published ideas, while at the same time, draw attention to both the participating journals and the ECCE conference. This is "presentation only" as the published journal paper will not be included into the ECCE proceedings.

LIST OF JOURNALS FROM PELS AND IAS SOCIETY

- IEEE Transactions on Power Electronics
- IEEE Power Electronics Letters
- IEEE Journal of Emerging and Selected Topics in Power Electronics
- IEEE Power Electronics Magazine
- IEEE Transactions on Industry Applications
- IEEE Industry Applications Magazine
- IEEE Open Journal of Power Electronics
- IEEE Open Journal of Industry Applications

PRESENTATION SESSION STRUCTURE

For the first ECCE post-journal presentation, we envision to have multiple sessions. The planned topics of those session will be consistent with the ECCE technical program scope.
